Certain negligent parties could pay more for expenses outlined in the bill, however the total amount is unknown.

Regulatory Impact

Enactment of this legislation could result in a small increase in the regulatory burden for Utah residents or businesses.

Performance Note

JR4-2-404

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
